NEWSLETTER FALL 2022

CONTINUING THE TRADITION!

We are looking forward to another exciting year of dance! For over 50 years, Capital City Dance Studio has provided quality dance instruction in a fun and enjoyable environment for the young people of Frankfort and the surrounding communities.

We are thankful that you have chosen us, not only for your child's dance instruction, but for the memories and friendships that will develop during their time here at our studio. All of our instructors are former Capital City Dance Studio students who devote themselves to teaching our students the elements, style and enjoyment of dance. Our recitals are designed to showcase the progress your child has made during the dance year and feature professional costuming, lighting and staging to enhance their performance experience.

We welcome our new and returning dancers who all exhibit "star" quality that is enhanced by their journey with us . . Thank you for your trust in us!

Congratulations to Angela Fitzpatrick who won our Open House drawing and Elisa Hanley who won our Frankfort Faves voting promotion for a free month of tuition (up to $68 value).

Because tuition is not pro-rated or refunded for absence, make-up classes are offered if your child misses class. A listing of these classes is available in each studio. Please ask your child's instructor about this if necessary.

RECITAL AND COSTUME UPDATES

During the month of October, our instructors will be taking your child's measurements for recital costume sizing. Regular class attendance is important, particularly during this time, for timely and accurate costume ordering.

Costume payment is **DUE IN FULL** by October 31st, 2022. We regret that a costume cannot be ordered unless the full amount (including any outstanding monthly tuition payments) is received by this date.

Our 2023 recital dates are:

All five nights were so well attended, and we are grateful to all of our returning students and their families for sticking with us during unprecedented times! We are looking forward to welcoming our new students to an experience of a lifetime with new dance friends and a year-end performance that will create lasting memories. We plan to keep our tradition of "quality dance education in Frankfort since 1969" alive for many years to come!
